

2036 Calendar Public Holidays in Bangladesh

The diagram illustrates the relationship between National and Regional public holidays and their observance status. It features a grid with columns for National and Regional holidays, and rows for Observance and Sports Event status. The National column is highlighted in red, and the Regional column is highlighted in orange. The Observance row is highlighted in blue, and the Sports Event row is highlighted in green. The text 'Public Holidays in November' is written in red, and 'Public Holidays (Sport)' is written in blue.
