

2033 Calendar Public Holidays in Sudan

The diagram illustrates the relationship between public holidays and observances. It features a central box labeled "Public Holidays in March" in red. To its left, a box labeled "National" in red is connected to the central box by a red line. To its right, a box labeled "Regional" in orange is connected to the central box by an orange line. Further to the right, a box labeled "Observance" in blue is connected to the "National" box by a blue line. To the right of the "Observance" box, a box labeled "Sports Event" in green is connected to the "Observance" box by a green line. The diagram shows that national holidays lead to observance, which in turn leads to sports events, while regional holidays also lead to observance.
