

## 2067 Calendar Public Holidays in Sudan

The diagram illustrates the relationship between public holidays and observances. It features a grid of 10 cells, each containing a placeholder '???' followed by a question mark. The grid is divided into two columns: 'National' (left) and 'Regional' (right). The rows are labeled 'Observance' (top) and 'Sports Event' (bottom). The 'National' column is highlighted in red, and the 'Regional' column is highlighted in orange. The 'Observance' row is highlighted in blue, and the 'Sports Event' row is highlighted in green. The text 'Public Holidays in February' is written in red at the bottom left.
